

Medical Group of Tampa Bay

Set among the rolling hills of Zephyrhills and just minutes from Lakeland and Tampa, Florida Hospital Zephyrhills is an easy commute... far removed from the traffic and congestion of I-4. Our 154 bed faith-based hospital offers many outstanding career opportunities for professionals looking to grow with one of the area's most trusted employers.

Internal Auditor

Candidate will be responsible for supporting the financial policies of The Medical Group by assuring accurate coding and medical records documentation. Coding certification with CPC designation required with a minimum 5 years ICD-9 and CPT-4 coding experience.

Director, Physician Practice

The Director will manage and supervise the day-to-day functions of our multi-site physicians offices and clinics owned by Florida Hospital. A Bachelors Degree in Business Administrations or related (Masters preferred) and a minimum of 10 years physician office management experience required. Must have strong Joint commission and state regulation knowledge.

IMMEDIATE benefits including our healthy lifestyle incentives
