My name is Morgan Gettys. I am the owner of Floosie Girls Boutique in Shelby, NC! I started out as a 16 year old girl with a desire to share fashion and help women of all ages feel beautiful. Our first store was in the small town of Fallston, NC. My business and clientele grew abundantly, so after a year and a half, we moved into a larger shop in uptown Shelby, NC! Our boutique is brimming with contemporary and cutting edge pieces that will leave you breathless and speechless. Our goal is to stay on top of the latest fashions and keep our customers longing for more. I am so thankful for the blessing of this opportunity and I am so grateful for the support of my customers and our incredible community. Our online shop was launched on December 22, 2015.
