LilyBean's Micro-Roasted Coffee House in Uptown Shelby, NC features beans that are roasted fresh daily. In addition to delicious drip coffee and bulk beans, Chad Stout, artisan roaster, crafts delicious specialty drinks, both hot and cold. The cozy shop has comfy sofas, great tunes and super-fast WI-FI. Their motto sums it up: "Hot Coffee. Cool People." Don't live close? We ship. Just go to <http://mkt.com/lilybeans-coffee>

Custom micro-roasted coffee created fresh for you, hand-made truffles, and pastries made daily, dark chocolate-covered espresso beans, biscotti, pumpkin bread, granola, gift certificates and more!

Cuisine: breakfast and brunch specialties

Street and parking lot parking

Serves breakfast, lunch, coffee and drinks

Opened in 2009 We strive to provide the highest quality product while respecting the environment and the farmer. We buy only fair trade, shade grown, organic (when we can get it) coffees.

We recycle and compost the vast majority of the materials we use.
