We invite you to visit our store (with your pet of course!), browse our unique selection of dog and cat products, and meet our well-trained staff. Our goal is to build lasting relationships with our customers and their pets.

At RollOver Pets, we carry all natural, holistic, and organic pet food products, many of which are made in the USA. Unlike some of the mainstream pet foods and treats on the market today which contain processed fillers, preservatives and additives, the products we sell will promote the health and well-being of your pets. Everything from our Lupine collars to our organic shampoos and low-fat, vitamin-fortified dog treats are guaranteed to be tail-wagging good for your best friend! We also carry toys and other accessories.
